The Finance Department and Ardmore Public Works Authority's (APWA) staff recently accepted and evaluated proposals for banking services that were received on March 8, 2022. There were four (4) bids received from local banking institutions that offered several different deposit and investment opportunities that were evaluated. After consultation with Crawford and Associates, they felt most comfortable with the investments sweep approach that Simmons Bank has offered. In addition, they felt it would be easier to document and track the investments and staff would not be required to physically separate the APWA Trust monies from the City of Ardmore monies. Proposal from Simmons Bank for banking services to remain the bank depository for the City of Ardmore and the APWA will be for Fiscal Year 2022-2023 beginning on July 1, 2022. Resolution 4212, is a Resolution of City of Ardmore and Ardmore Public Works Authority Establishing Simmons Bank of Ardmore as the Official Depository of City Funds and Establishing Authorized Signatories
