RE: Public Hearing on #C19-02, a request for a conditional use permit to allow a triplex in the RS-6 (Single Family Residential) zoning district at 802 E Street NW.

Dear Commission Members:

The City received a Conditional Use Permit application from the property owner of 802 E Street NW requesting approval to allow a triplex at this location. In keeping with the requirements of Section 314 of the Unified Development Code, a public hearing was held before the Planning Commission on May 9, 2019. Per Section 314, a public hearing is now required before the City Commission. The CUP request is also on this agenda for final action by the City Commission.

Respectfully Submitted,

Jessica Scott
