Re: Request to declare Asset #008705 as surplus

Dear Trustees:

Staff would like to request that the Commercial Sanitation 2013 Front Loader Unit #28, Asset #008705 be declared as surplus. If approved, this unit will be used as a trade in for a replacement Front Loader as provided in the current fiscal year's budget.

Staff recommends the approval of declaring the Commercial Sanitation 2013 Front Loader Unit #28, Asset #008705 as surplus.

Respectfully submitted,

Shawn Geurin, Utilities Director
