

CITY OF ARDMORE
ENGINEERING DEPARTMENT
Ardmore, Oklahoma

Authority Letter No.: 4992
Meeting Date: January 4, 2021

Chairman and Trustees
Ardmore Public Works Authority
Ardmore, Oklahoma

SUBJECT: Recommendation for Award of Contract
Water Treatment Plant Filter Repair Project

Dear Chairman and Trustees:

The City received bids December 17, 2020 for replacement of the filter underdrain and filter media for Filter 4 at the water treatment plant. The bid tabulation is attached and summarized following:

Contractor	Contractor Main Office	Bid
JS Haren Company	Athens, Tennessee	\$ 183,000.00
Howard Construction	Ardmore, Oklahoma	\$ 139,000.00
Lonehickory Cattle LLC	Talihina, Oklahoma	\$ 139,000.00
All Service Contracting	Decatur, Illinois	\$ 172,469.00
Engineer's Est		\$ 141,411.25

The low bid of \$139,000.00 was submitted by two firms, Howard Construction and Lonehickory Cattle LLC. In the event of tie bids, City purchasing policy provides for the selection of that bidder which is "local" (absent any other substantive selection criteria). Accordingly, we recommend that the Authority approve the award of the project to Howard Construction.

Sincerely,

Thomas D. Mansur, P.E.
City Engineer
