City of Ardmore, Oklahoma

RE: Purchase of Fire Department Pumper

Dear Commission Members:

The Ardmore Fire Department is requesting approval to purchase a new, custom built, Sutphen fire pumper. The purchase will be made through the Texas Buyboard Contract #571-18. The purchase will come from the GAPS tax with \$270,497.81 coming from the 2020-2021 budget and the balance of \$265,087.84 due upon delivery in 12-14 months coming from the 2021-2022 budget. The 50% prepayment provides a discount of \$5,409.96 making the actual delivered price \$535,585.65.

This pumper will replace a 2001 model that served us well but has become less than reliable and will be reassigned as a non-front line unit.

Staff respectfully requests approval to proceed with placing the order for the new pumper.

Respectfully Submitted,

Cary Williamson, Fire Chief
