Re: Approval to open a new bank account at Simmons Bank

Dear Commission:

Starting in early 2022, the Parks and Recreation Department will be hosting a new youth soccer league. All of the registrations and financial transactions for the league will be hosted online and deposited directly to the City's bank account.

The Finance Department Staff respectfully recommends the Commission approve to establish a new bank account at Simmons Bank for the Recreation Activities for the Parks and Recreation Department.

Respectfully,

Sissy Burge  
City Treasurer
