Dear Commission Members:

City staff is processing a request for an ordinance regulating and restricting the height of structures and natural growth in the vicinity of both the Ardmore Downtown Executive Airport and the Ardmore Municipal Airport.

In keeping with the requirements of Section 318 of the Unified Development Code, a public hearing was held before the Planning Commission on May 5, 2022. Per Section 318, a public hearing is now required before the City Commission. The request for the ordinance is also on this agenda for final action by the City Commission.

Respectfully Submitted,
