Suspected Drug House Shut Down Near Elementary School

This morning shortly after 10:30, Ardmore PD Narcotics Officers executed a search warrant in the 1500 block of Harris at a residence located near Broadlawn Park and Charles Evans Elementary School. Upon entering the residence, officers discovered 11 ounces of marijuana, as well as an electronic scale and baggies. 25-year old Justin Moore was taken into custody without incident. Moore was transported to the Carter County Jail and booked pending charges of possession of marijuana with intent to distribute within 1000 feet of a school/park, and maintaining a dwelling for the use and sale of narcotics. The arrest was made as a direct result of information provided by numerous concerned citizens. Ardmore PD appreciates the assistance of Carter County Sheriff's Deputies, who also participated in the arrest.
