FOR IMMEDIATE RELEASE

Pharmacy Burglarized, Drugs Stolen

On Monday, March 9, 2009, shortly after 3:30am, Ardmore Police Dispatch was notified of an intrusion alarm at the Henry Roberts Express Pharmacy in the 1300 block of Northwest 12th Avenue. Officers arrived at the business moments later and discovered that the east door of the business had been forced open. A large amount of prescription drugs was taken, including the pain medication hydrocodone. The suspect had already fled the scene by the time police arrived.

Surveillance video reveals the suspect in this case as a white or Hispanic male, wearing a black hoodie, blue jeans, and gloves. He may have been accompanied by two other individuals who did not enter the pharmacy. All three subjects were traveling in a newer model pickup truck, dark color over silver.

The burglary comes just 13 days after another Ardmore pharmacy was burglarized and hydrocodone was taken. While it is too early to determine if the two crimes may be related, detectives are considering that as a possibility.

We are asking for the public's help in this case. If you have any information, you are asked to call the Ardmore Police Department's Investigative Services Division at 580-221-2545.
