Meeting Date: April 1, 2019

Mayor and City Commission  
City of Ardmore, Oklahoma

Re: Acceptance of the Bid for the Demolition and Replacement of the  
Concrete Apron at the Ardmore Downtown Executive Airport

Dear Commission Members:

On Monday, March 25, 2019 bids were opened to determine which vendor would replace the concrete apron on the north side of the T-Hangers at the Ardmore Downtown Executive Airport. There were eleven vendors solicited for bids for this project, with six vendors attending the pre-bid meeting and two bids submitted. The lowest bid was submitted by Ron Walker Construction in the amount of \$24,480.00.

The funding for this project is budgeted in the current fiscal year in fund 39. Please note, this bid is for the demolition and removal of the existing apron, as well as the labor to place the new concrete apron. The cost of the concrete itself will be paid directly by the City of Ardmore.

Staff respectfully recommends that the City Commission accept the bid of \$24,480.00 from Ron Walker Construction for the replacement of the concrete apron at the Ardmore Downtown Executive Airport.

Respectfully submitted,

Kevin Boatright  
Assistant City Manager
