

Council Letter No. 4407
Meeting Date: May 6, 2019

Mayor and City Commission
City of Ardmore, Oklahoma

RE: Purchase of thirteen (13) APX8500 All-Band Portable Radios

Dear Commission Members:

The Ardmore Police Department is requesting approval to purchase twelve (12) standard head Motorola APX8500 all-band portable radios and one (1) handheld control head APX8500 all-band portable radio in the amount of \$57,330.04. Please see attached quotes.

These digital radios will replace 13 current radios that are not digitally compatible and will begin the Department's transition to all digital radios. These radios were not a budgeted item in FY 18/19 due to the fact it was only recently discovered that these radios were not digitally compatible. The Finance Director has acknowledged that the necessary funds are available in the GAPS fund.

Staff respectfully recommends the purchase of the APX8500 all-band portable radios utilizing Oklahoma State Contract SW1053M from Motorola Solutions, Inc. of Farmers Branch, TX in the amount of \$57,330.04.

Respectfully,

Ken Grace
Chief of Police
