

CITY OF ARDMORE
ENGINEERING DEPARTMENT
Ardmore, Oklahoma

Commission Letter No. 4614
Meeting Date: August 19, 2019

Mayor and City Commissioners
City of Ardmore, Oklahoma

SUBJECT: Concrete Saw Bid Approval

Dear Commissioners:

The purpose of this item is to obtain the Commission's approval to purchase a new pavement saw. The City advertised for and received bids for a new, heavy-duty pavement saw for use by the Street Division. This particular saw as specified will enable us to better cut, remove and patch thicker asphalt and concrete pavements than the smaller saw we currently have. We received bids from five separate distributors; the low bid of \$30,335.00 was submitted by Technology International. The bids are shown in the attached tabulation.

We request the Commission approve the bids and authorize the purchase of the new concrete saw from Technology International for \$30,335.00.

Sincerely,

Thomas D. Mansur, P.E.
City Engineer
