RE: Fire Safety Trailer Surplus Declaration and Donation

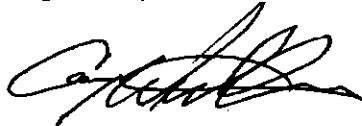

Dear Commission Members:

The Ardmore Fire Department received a grant in 2005 from the US Fire Administration for the purchase of a fire safety trailer (Unit #361) to educate children regarding fire safety. The trailer has served us well since then and has been a useful tool to educate thousands of area children.

Beginning this year, we have refocused our public safety efforts with a totally new program that doesn't involve the trailer. Therefore, we are requesting permission to declare the unit as surplus with disposal by donating the public safety trailer (Unit #361) to the Healdton Fire Department so they can provide fire safety education to children in their community and throughout Carter County.

The total current estimated value of the trailer is \$3,500.00

Respectfully Submitted,

Cary Williamson, Fire Chief
