

ARDMORE PUBLIC WORKS AUTHORITY

Authority Letter No. 4858
Meeting Date: July 6, 2020

Chairman and Trustees
Ardmore Public Works Authority

Re: Tyler Technologies Incode Agreement and Services

Dear Trustees:

The Finance Department and the Ardmore Public Works Authority's (APWA) staff respectfully requests that you to ratify the approval by the City of Ardmore Commission to enter into the agreement with Tyler Technologies. The Customer Service Department budgeted \$84,082 in Reserve Management Fund for FY 20/21 for this expense. The agreement provides fixed annual cost of \$84,082.00 for the next five years for additional Incode Software capabilities, features, and benefits and will enhance our existing software package and services.

Respectfully,

Sissy Burge
City Treasurer
