Re: Reject Way Find Sign Bid

Dear Commission Members:

In June, invitations to bid were solicited from six (6) vendors for the fabrication of three (3) way find signs and the installation of 34 way find signs. Only, one (1) bid was received from Turner Signs in the amount of \$258,265.00. At this time, staff would like to reject the bid from Turner Signs, consider revising the installation and rebidding.

Respectfully submitted,

Tom Mansur  
City Engineer
