RE: Purchase three thermal imaging cameras

Dear Commission Members:

For the fiscal year 2020-2021, the Ardmore Fire Department budgeted \$30,000 for the purchase of two thermal imaging cameras. Fortunately, with current pricing, we are able to buy three of the units for under the budgeted amount.

Northern Safety has provided a quote for three cameras complete with spare battery and truck charger for \$29,276.46. The quote is from the Oklahoma State Contract #SW241.

Staff respectfully requests approval to purchase the three thermal imaging cameras.

Respectfully Submitted,

Cary Williamson, Fire Chief
