ENGINEERING DEPARTMENT
Ardmore, Oklahoma

Board Letter No.: 5085
Meeting Date: May 17, 2021

Mayor and Commissioners
Ardmore, Oklahoma

SUBJECT: Recommendation for Award of Contract
[Hickory Creek Channel Clearing Project]

Dear Mayor and Commissioners:

The City received bids April 29, 2021 for the clearing of a segment of Hickory Creek from Chattanooga Loop to its intersection with Interstate 35. The clearing technique specified provides for the application of an EPA-approved herbicide. The single bidder was Safety Plus USA LLC.

Following the bid opening we examined the single bid and it appeared that there may be a misunderstanding as to the extent of clearing and restoration required. Accordingly, Safety Plus agreed to reduce their unit price for clearing and restoration. The bid tabulation is attached and summarized following:

Contractor	Bid
Safety Plus USA Original Bid Total	\$ 45,882.90
Negotiated Bid Reduction	(\$ 5,906.25)
Revised Safety Plus Bid	\$ 39,976.65
Engineer's Estimate	\$ 20,795.00

We recommend and request that the Commission approve the award of the contract to Safety Plus USA LLC for \$39,976.65 and authorize the Mayor to execute the contract.

Sincerely,

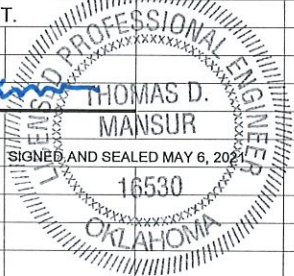

Thomas D. Mansur, P.E.
City Engineer
