ENGINEERING DEPARTMENT  
Ardmore, Oklahoma

Board Letter No.: 5233  
Meeting Date: November 1, 2021

Mayor and Commissioners  
Ardmore, Oklahoma

SUBJECT: Recommendation for Award of Contract  
Concrete Crushing Services Contract

Dear Mayor and Commissioners:

The City received bids October 14, 2021 for concrete crushing services. Such crushing contracts enable us to recycle concrete and asphalt rubble and eliminate unnecessary landfill use. The bid tabulation is attached and summarized following:

Contractor	Bid	Less Alternate Product
Heartstone Inc	\$ 191,880.00	\$ 159,880.00
Mobile Crushing Inc	\$ 250,000.00	\$ 225,000.00
Engineer's Est	\$ 117,000.00	\$ 98,100.00

The total for both bidders is above our budgeted amount however low-bidder Heartstone, Inc. has agreed to revise their bid by eliminating the production of the alternate material of 2000 tons. This reduction would enable us to still reduce the volume of the concrete rubble now on hand, come closer to our budget, and defer further expense to the next fiscal year. Funds for this project are included in the Street Division budget. Accordingly, we recommend that the Commission approve the award of the contract to Heartstone, Inc. in the amount of \$159,880.

Sincerely,

Thomas D. Mansur, P.E.  
City Engineer
