Re: Request for Clifford Power to replace two Generac
generators at the Water Treatment Plant

Dear Trustees:

A quote was received from Clifford Power Systems, LLC, who is the only Generac Industrial Distributor Center in the State of Oklahoma, for the replacement of two Generac generators at the Water Treatment Plant. The quote is for all the necessary labor and materials in a total amount of \$224,300.00. This project will be funded from the current Water Treatment Plant Budget.

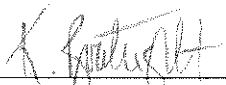

Staff recommends the approval of the quote from Clifford Power Systems, LLC, who is the only Generac Industrial Distributor Center in the State of Oklahoma, for the replacement of two Generac generators at the Water Treatment Plant in the amount of \$224,300.00.

Sincerely,

Shawn Geurin, Utilities Director

Reference: Generac 400 kW's

Melissa,

Based on our conversation regarding the replacement of two Generac Diesel 400 kW's, you wanted Generac to confirm that Clifford Power Systems is Generac's only Industrial Distributor Center (IDC) in the state of Oklahoma. Please accept this letter confirming that Clifford Power Systems is the only Generac IDC in the state of Oklahoma.

Thank you for your continued business, and should you have any other questions please let me know.

Thank You,

Adam Hunt
