Commission Letter No.: 5423  
Meeting Date: May 16, 2020

Mayor and Commissioners  
City of Ardmore  
Ardmore, Oklahoma

SUBJECT: Request to Declare Surplus and Donation of an Uneconomically Repairable International Dump Truck (Unit No. 53)

Dear Mayor and Commissioners:

The City has a dump truck (Unit No. 53) which is old, worn-out, and not economically repairable and should be disposed of. The City Maintenance Superintendent has personally determined that this item is not economically repairable. We therefore propose to declare this truck surplus and disposal by donating the truck to the Hardy Murphy Coliseum Authority. The original purchase value of this dump truck was \$50,684.00.

We recommend and request that the Commission declare the item surplus and authorize said item be disposed of by donation to the Hardy Murphy Coliseum Authority.

Sincerely,

Josh Randell, PE, CFM  
City Engineer (interim)
