Re: Request to approve a surcharge for a new Freightliner cab
and chassis from Premier Truck Group Oklahoma City.

Dear Commissioners:

Staff is requesting the approval of a surcharge for a Freightliner cab and chassis that was approved for purchase on March, 21, 2022 for the Operation Pride Department off the Oklahoma State Contract from Premier Truck Group Oklahoma City. Per Daimler Truck North America, "the continued challenging and domestic economic conditions have made it necessary for Daimler Truck North America (DTNA) to implement an additional price surcharge on all MY23 Freightliner & Western Star trucks." The original price for the truck was \$91,002.85 and the new surcharge in the amount of \$3,800.00 will bring the new price to \$94,802.85. This will be a replacement for Unit #140. This item is in the current fiscal year budget under the Operation Pride Department.

Staff recommends the approval of the surcharge for Freightliner cab and chassis for the Operation Pride Department off the Oklahoma State Contract from Premier Truck Group Oklahoma City in the amount of \$3,800 which will bring the new total price to \$94,802.85.

Sincerely,

Shawn Geurin, Utilities Director
