Re: Request to pay Evans Enterprises, Inc. for the tear down  
and repair of a 400hp motor for the Water Treatment Plant  
high service booster station.

Dear Trustees:

Staff is requesting to pay Evans Enterprises, Inc. for the tear down and  
repair of a 400hp motor for the Water Treatment Plant high service  
booster station in the amount of \$25,984.58. This repair will be funded by  
the Water Treatment Plant current fiscal year's budget.

It is my recommendation to pay Evans Enterprises, Inc. for the tear down  
and repair of a 400hp motor for the Water Treatment Plant high service  
booster station in the amount of \$25,984.58.

Respectfully submitted,

Shawn Geurin, Utilities Director
